**Subject:** Appendix A - Data Evaluation Reports

Alice - I have some comments on DER No. 1, Site Setting but have not finished the report yet. Could I get my comments to you tomorrow? If not, what happens next? When is the last opportunity to make changes?

This leads to a larger question. Maybe you will address this at 1:30 but if not, when will we have a time to go through the whole FFS, including appendices, to make sure it is consistent and error free?
